COVID-19 DISTRICT COMMAND COUNCIL CONCLUDED ITS WEEKLY MEETING

The Covid-19 District Command Council has today heard that Sekhukhune is at the path of flattening the curve against coronavirus.

This, the DCC was told was mainly due to the fact that, Covid-19 related deaths still stands at 08. And the total number of positive cases are 1662, active cases 587, with 1067 recoveries.

Regarding Frontline workers, the DCC has heard that currently there are 214 positive cases, 18 are self-isolated and recoveries are 196.

Regarding infections at mines like Thorncliff, Magareng, Mototolo and Hellena, it was discovered that all of them are complying with health protocols to combat Covid-19. And therefore, meaning that the rise in positive cases are community infections.

"We want to make a clarion call to all our people to the effect that, they need to comply with Covid-19 regulations for their safety not to please government. We urge those who are complying to continue doing so for their sake and for others around them. We have heard that soccer tournaments are still continuing in our district and we urge the police to clamp them down. In the main, we are pleased with the slow infection rate and we wish that our people can keep it up" says Executive Mayor Cllr Keamotseng Stanley Ramaila, the Chairperson of the DCC.

'NO PERSON MUST DIE WHILE DIAGNOSED WITH COVID-19'.
