Call for expression of interest

Revitalizing cotton farming and
empowering emerging and aspirant farmers

Proposal No. SDA 02/2021

Land Parcels for Revival of Cotton Economy

CLOSING DATE: 15 MARCH 2021 AT 16H30

Sekhukhune Development Agency together with its private partners Marlou Group and Affluent 12 hereby announce a call for **Expression of Interest for Traditional Authorities (Magoshi), Communal Property Associations and Co-operatives** within the Moutse West Areas of Ephraim Mogale Local Municipality.

BACKGROUND

The aforementioned partners of Sekhukhune development agency (SDA) initiated a cotton farming program named Agang cotton with the main aim of revitalizing cotton farming and empowering emerging and aspirant farmers. The program will be rollout throughout the District, however, the parties agreed to use Ephraim Mogale as the pilot area given its rich history of cotton farming and experience in cotton farming. The project will grow in phases from primary production to value addition through ginnery, spinning and sales.

PARTICIPATION CRITERIA

The initiative seeks to cultivate 2000 hectares of cotton (approximately 5% of South Africa's total cotton) both under dry and irrigation land, interested participants should have at least a minimum of 10 hectares; it is encouraged that neighbouring farmers should combine their land for economy of scale.

BENEFITS

Profit sharing, training and skills development, market exposure

SUBMISSION

Submissions should be emailed to proposals@sdalive.co.za or affluent12@gmail.com
